SHAMROCK SLAM contains 2,500 mg of Branch Chain Amino Acids, (BCAA's). BCAA's are essential amino acids not produced by the human body and are the building blocks of muscle producing proteins. They reduce the catabolic effects on muscle tissue when training. BCAA's are utilized directly in the muscle for enhanced muscle strength.†

SHAMROCK SLAM can:

- Rapidly decrease recovery time †
- Decrease the catabolic effects on muscle tissue †
- Boost your metabolism †
- Increase stamina and energy †
- Allow your body to burn more fat and less muscle †
- Increase Muscular Strength & Power Output †
- Increase Muscle Mass †
- Boosts Muscular Anaerobic Endurance †
- Increase Aerobic Endurance †
- Delay Muscular Fatigue - Train Harder & Longer †
- Manufactured in a GMP Certified Facility
- Use before, during and/or after your workouts

Pomegranate Extract - antioxidant rich super fruit, boosts immune system and promotes cardiovascular health by increasing oxygen levels to the heart and more!†
Acai Berry Extract - Antioxidant rich super fruit, fights free radical damage in the body, improves circulation, increases metabolism and boosts the immune system.†

SHAMROCK™ SLAM
